

CI/CE MO UJVENTURE [] & [] w/OKASTELL & OFELLER 1 June 196

Apropos of the peppermill, we offered KASTELL to sell him the two SRT-5s transmitters now in his possession and told him we had been informed that the total cost would be \$898.08. He said he would let us know as soon as he was sure where the money was coming from. Apparently, the CE and FI shops are both contributing toward the purchasing price.
